*Queensland Competition Authority Act 1997*  
Section 10(e)**MINISTER'S DIRECTION NOTICE**

Pursuant to section 10(e) of the *Queensland Competition Authority Act 1997* (QCA Act), I direct the Queensland Competition Authority (QCA) to investigate and provide a report (the Report) on the South East Queensland (SEQ) Bulk Water Price Path (the Price Path), in order to inform Government in preparation for the next regulatory pricing period, due to commence on 1 July 2018.

In the Report, the QCA should provide advice on an optimal regulatory approach for SEQ bulk water pricing, given the specified policy objectives and considerations detailed below.

**Policy Objectives**

Since 1 July 2008, SEQ bulk water prices have been determined with reference to the Price Path. The Price Path was developed with a view to limiting price increases for bulk water out to the end of the Pricing Period (1 July 2008 to 30 June 2028).

SEQ bulk water prices have been determined until 30 June 2018, which is 10 years after the commencement of the Price Path. In preparing for the next review of SEQ bulk water prices, it is appropriate to consider the implications of the approach and policy settings that currently influence SEQ bulk water prices.

This will assist Government in assessing the most appropriate way forward to determine SEQ bulk water prices, taking account of the impacts on SEQ water consumers, the Queensland Bulk Water Supply Authority (Seqwater), and the State of Queensland.
